The DAISY Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the auto-immune disease ITP in 1999. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. When he died, they felt compelled to say “thank you” to nurses in a very public way. Please say thank you by sharing your story of how a nurse made a difference you will never forget!

The CLOVER Award was created by Dove Healthcare to recognize exceptional certified nursing assistants, resident assistants, nurse technicians and medication aides who go above and beyond for our patients every day.
