Six Local Healthcare Facilities Receive Top Rating

A recent update to Nursing Home Compare by The Centers for Medicare & Medicaid Services (CMS) designates local healthcare provider Dove Healthcare with an overall 5 Star Rating for each of their six skilled nursing and rehabilitation facilities located in Bloomer, Chippewa Falls, Eau Claire, Osseo, and Rice Lake. This rating is based on quality measures, staffing ratios, and annual health inspection results. Star ratings are assigned to each of these categories and the categories are combined to calculate an overall rating. In August 2017, the average star rating for Wisconsin skilled nursing facilities was 3.6 and nationally it was 3.3.

More information can be found on the website:
