

Dove Healthcare Proudly Offers LSVT BIG[®] and LSVT LOUD[®]

If you have patients with a neurological condition that could benefit from either of these programs, **please refer them to Dove Healthcare.**

PARKINSON'S DISEASE AND OTHER NEUROLOGICAL CONDITIONS

Our Certified Therapists Will:

- work 1:1 with the patient for all sessions (in-patient or out-patient therapy)
- communicate progress to patient's physician
- provide home assessment and caregiver education
- adapt the therapy goals to fit the patient's needs

Payment: Dove Healthcare's billing office will assist with determining insurance coverage.
