New Leader Introduced

OSSEO – Skilled nursing and assisted living provider Dove Healthcare – Osseo announced Bryce Miles as Assistant Administrator. Miles will help support daily operations and assist in leading the transition to their new location on Ridge View Road.

Miles is a life-long resident of Elk Mound and a UW-Eau Claire graduate with a Bachelor's degree in Healthcare Administration. He completed a year long internship at Dove Healthcare – West Eau Claire, attained his nursing home administrator's license, and became an employee of the company in May 2016.

Dove Healthcare – Osseo Administrator Joe Muench said, "We are fortunate to have Bryce come on board and support operations in Osseo. He's a true asset to the team, evidenced by his enthusiasm, professionalism, and compassion."

Miles commented, "The past 17 months with Dove Healthcare has been a great introduction to post-acute and long-term care. It's been a rewarding experience learning how all of the departments help each other to reach the same goal, providing the best care and customer service to those who entrust us with their care. I look forward to working with and continuing to learn from this great team."

#####

Dove Healthcare consists of skilled nursing facilities and assisted living facilities that serve the short-term and long-term care needs of people in northwest Wisconsin. Core services include rehabilitation, post-acute care, ventilator care, skilled nursing, long-term and end-of-life care, as well as assisted living and memory care.
