Osseo Registered Nurse Receives Advanced Certification

OSSEO – The Director of Nursing for Dove Healthcare – Osseo, Leslie Svoma, recently earned Director of Nursing Services Certification (DNS-CT) through the American Association of Directors of Nursing Services (AADNS). This achievement distinguishes Svoma as a career professional committed to leadership excellence, continuous learning, and service to the long-term care profession.

Svoma commented, “This certification has helped me to further develop my leadership skills and make changes that are in the best interest of our residents, staff, and overall facility. Continuing education is important to me in order to be an effective leader. I am very grateful to be able to work with such amazing residents and staff.”

#####

Dove Healthcare consists of six skilled nursing facilities and four assisted living facilities that serve the short-term and long-term care needs of people in northwest Wisconsin. Core services include rehabilitation, post-acute care, ventilator care, skilled nursing, long-term and end-of-life care, as well as assisted living and memory care.
