Community Supports Expansion of Local Assisted Living

OSSEO – Almost 50 community members attended the groundbreaking ceremony on June 13 for the expansion of the assisted living residence at Dove Healthcare – Osseo, 51017 Ridge View Road.

Regional Director of Operations Jeremy Kiley commented, “Since coming to Osseo in 2015, our team has been supported and encouraged by Osseo and the surrounding communities, and so we’re honored to undertake this expansion so we can serve even more residents and increase access to care, close to home.”

Services and features include:

- All-inclusive, monthly care rate
- Three nutritious meals a day
- Caregivers on-site 24 hours a day
- Nursing and pharmacy services
- Access to physical, occupational, and speech therapy
- A Community Room for activities and exercise
- Full service salon and complimentary WiFi

Construction of the 16 additional apartments will be complete fall 2019 with open house details announced late summer. For more information about the assisted living apartments, contact Administrator Bryce Miles at 715-597-2493.
