Six Local Healthcare Facilities Receive Top Rating

A recent update to Nursing Home Compare by The Centers for Medicare & Medicaid Services (CMS) designates local healthcare provider Dove Healthcare with an overall 5 Star Rating for each of their six skilled nursing and rehabilitation facilities. This rating is based on quality measures, staffing ratios, and annual health inspection results. Star ratings are assigned to each of these categories and the categories are combined to calculate an overall rating. In July 2016, 32.1% of Wisconsin skilled nursing facilities were rated five stars and 22.8% nationally.

Owner Tommy Davidson commented, "We are driven by great passion and pride for what we do in the communities we serve. We focus on providing the best possible care and achieving quality outcomes for our patients."

More information can be found on the website:
