## A Message from the Administrator

Hello! I hope everyone is managing to stay healthy. February is the month of love, and I'd like to extend some love to my team for doing an excellent job working hard to prevent illness at Dove Healthcare - Superior. I'd like to encourage everyone to keep up with proper handwashing hygiene and delaying your visit if you're feeling unwell, so we are all doing our part to maintain a healthy environment for our residents and team.

If anyone has any questions or would like to speak to me personally, please stop by my office or reach out at the information below.

## Introducing our New Director of Nursing!

We are so happy to announce the HomeGROWN promotion of Stacey Maul from nurse case manager to director of nursing!

Administrator Emily Thompson shared, "I have worked alongside Stacey for just over a year now. Watching her pursue and achieve her goals and passion has been inspiring. Stacey is so compassionate and dedicated to learning and making each day better for our residents and employees. When challenges arise, I know I can trust her to work with the team to prioritize the health and wellbeing of our residents."

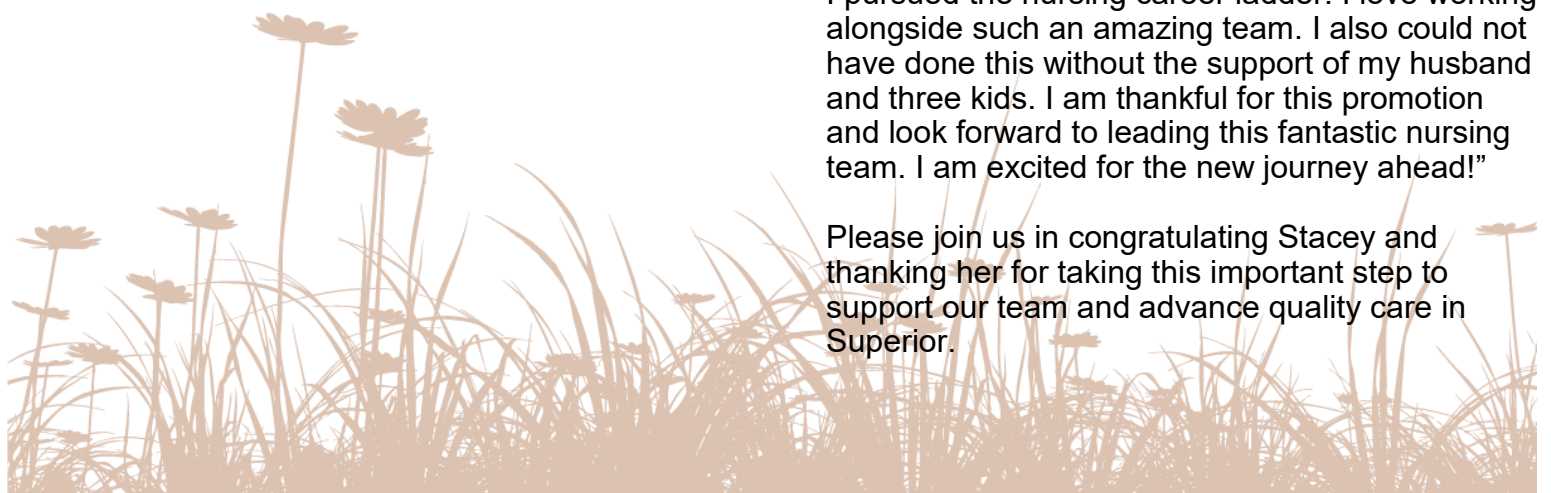

Stacey started her healthcare journey in 2010 as a CNA, working in both hospital and long-term care settings. She became an LPN in 2018 and then joined us at Dove Healthcare – Superior in 2022 as an LPN care coordinator, eventually becoming a nurse case manager. She

achieved her RN license in 2024 and has completed advanced training in infection prevention. Stacey also successfully completed the director of nursing basics certification course.

Stacey shared, "Thank you to everyone at Dove Healthcare for supporting and encouraging me as I pursued the nursing career ladder. I love working alongside such an amazing team. I also could not have done this without the support of my husband and three kids. I am thankful for this promotion and look forward to leading this fantastic nursing team. I am excited for the new journey ahead!"

Please join us in congratulating Stacey and thanking her for taking this important step to support our team and advance quality care in Superior.

## UWS Art Therapy Group

We are so happy to welcome back the UWS Art Therapy students in February! For decades, we've teamed up with the local university for this rewarding partnership. Art therapy students receive valuable experience teaching older adults, and our residents get to participate in sensory activities and create art they can be proud of.

**Art Therapy Group begins Feb 27 at 1:30PM and occurs every Thursday until the end of the semester.**

## Resident Spotlight: Vicky W!

We are incredibly lucky to have four centennials here at Dove Healthcare - Superior. **One of our centennials, Vicky, turns 104 this month!** We'd like to wish her a very happy birthday!

Vicky is a social butterfly and active with activities. She loves to play Bingo and get involved with all things crafts. Whether it's painting or knitting, Vicky is hands-on and a talented artist. Below are some of her prized pieces she's made and keeps proudly displayed in her room.

What is her secret to longevity? "Enjoy everything!" Vicky shared with a big smile on her face.

Her daughter Carol reflected on some of her favorite memories of her mother growing up, including how precise Vicky was with decorating for the holidays. At Christmastime, Vicky

would have blue lights with hundreds of strands of tinsel strung. "She would hang each strand one at a time. It took forever, but it's a lasting memory for me," Carol shared.

We hope you have a wonderful birthday filled with new memories, Vicky! You've earned it!
