

OCCUPATIONAL THERAPY

Overcome your limitations.

Joint Replacements	COPD & CHF
Stroke & Parkinson's	Fractures
Balance Disorders	Chronic Pain

Benefits of Occupational Therapy:

- Increase ease of activities of daily living; learn techniques to avoid injury/re-injury
- Build strength so it is easier to sit, stand, and use your walker/cane
- Improve hand function and balance
- Incorporate assistive technology to support tasks (i.e. tub bench, toilet riser)
- Receive a personal home assessment and exercise program, including education for you and your caregivers

Dove Healthcare

Personalized Treatment Plan

Your therapy goals will reflect your diagnosis, needs, and abilities. Based upon your abilities and progress, therapy services can be provided up to seven days a week.
