## A Message from the Administrator

Hello Everyone and Happy July!

Summer is in full swing. We have had a blast spending time outside (when it's not raining)!

June was a fun month of celebrating Father's Day, CNA Week, and Lake Martha Days. It is always great to get to recognize and celebrate our dedicated team members! We had a blast playing in the Osseo Chamber Golf Tournament, and it was great seeing and meeting so many community members.

June was our first month back at the Summer Concert Series at the Garber Band Shell! Our first night was a huge success! We will be back on July 14 and August 11 with more Lefse Busse. Please stop by for a delicious meal or to say hi!

If you or someone you know is in need of skilled nursing care or assisted living services, please give us a call to schedule a tour. For long-term care or short-term rehabilitation, please contact our admissions team at 715-930-6040. For assisted living, please contact Jenni Lange at 715-597-8922.

Sincerely,  
Ben Franks, NHA

*Bring on the summertime adventures!*

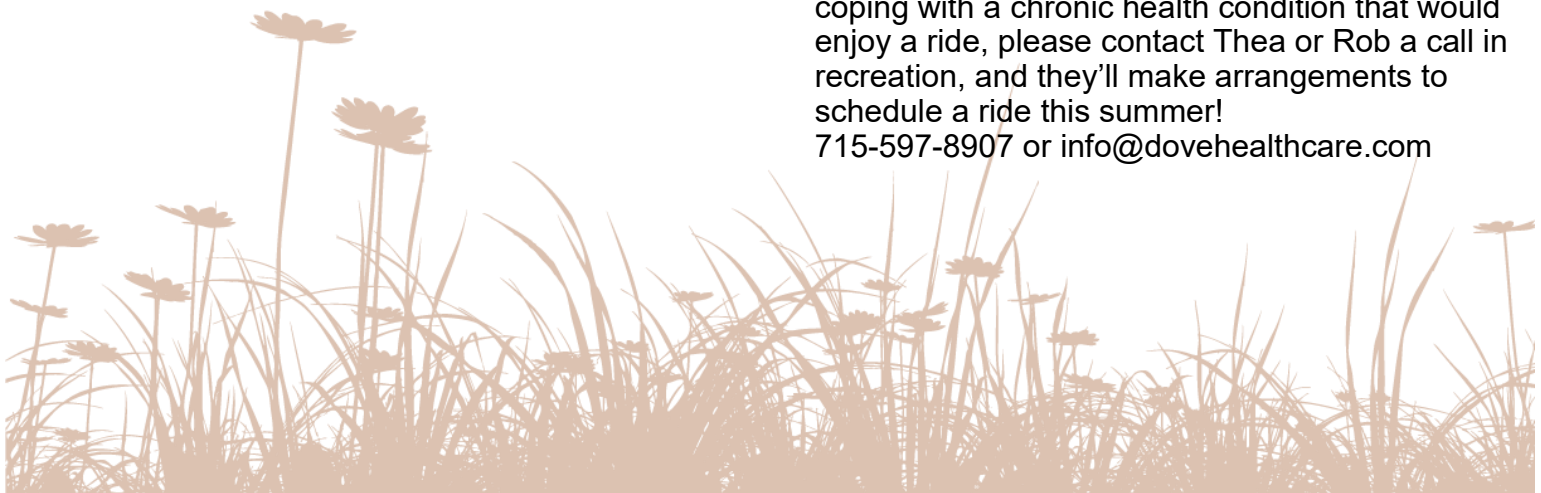

## The Trishaw Is Here!

***The eagle has landed...*** our Trishaw bike was delivered On June 4! A very special thank you to the **Dove Healthcare Community Foundation**, employees, residents and family, volunteers, local churches, organizations, and community members for your support and dedication to making this purchase happen.

We are so excited to officially be part of **Cycling Without Age**, and start taking adventures around Osseo

We need to get our feet under us a bit, but if you know an Osseo area senior, Veteran, or someone coping with a chronic health condition that would enjoy a ride, please contact Thea or Rob a call in recreation, and they'll make arrangements to schedule a ride this summer!

## A Minute with Anna

Happy July! We are continuing to enjoy the summer birds and warm weather. Thank you to all of the family members that diligently keep their loved ones' bird feeders full. We have a wide range of birds that are seen around Dove Healthcare - Osseo. It is wonderful to see people spending time outside on the patios enjoying the warmth of the sun. We are looking forward to a warm month as the days slowly begin to shorten. Stay safe, and enjoy our beautiful Wisconsin summers!

## CHECK THIS OUT!

Did you know that butterflies are the second most important pollinators just behind bees? One of the most prolific butterfly species in Wisconsin is the Monarch, and they need milkweed to survive. It's the only plant that monarchs lay their eggs on, and

it's the only food that monarch caterpillars eat. This is the reason that the Wisconsin DNR has named milkweed the 2025 Plant Species of the Year. Soon, you will be able to witness the life-cycle of the Monarch butterfly from our hatching box that Recreation Director in Training Rob Harrington constructed in June, and hopefully, we'll have the pleasure of releasing these beautiful creatures back out into the wild!

## Memories from June

**National Donut Day**  
**Yum, yum get ya some!**  
**In celebration of National Donut Day, we had to have some delicious donuts courtesy of Augusta Bakery! They were mouth-watering! Thanks so much for the tasty treats.**

## An Update from the Director of Dove Healthcare - Osseo Assisted Living!

Happy July! Crazy to think we are already over halfway done with the year. Time flies when you're having fun! Hopefully mother nature straightens out so we can enjoy the sunshine a little more this month! We are looking forward to some outdoor activities and music in the month of July! In June, we enjoyed wine tasting on the patio, lunch at Off Road Bar and Grill, art group, Happy Hours, the gift cart on Wednesdays, root beer floats for Father's Day, church services, bible study, and plenty of Bingo! Also let's not forget about the trishaw bike that arrived. We are looking forward to all the rides in July!

Have a Happy 4<sup>th</sup> of July!

Jenni Lange, Director
