

Maintain Your Independence and Enjoy Support When You Need It at Dove Healthcare – Osseo

Our Residential Care Apartment Complex (RCAC) features 40 apartments and is certified by Wisconsin's Bureau of Health Services, Division of Quality Assurance.

Payer Sources: We accept **private pay** and the **Medical Assistance Family Care Program** as payer sources. We will also work with Veterans and their spouses receiving the **Aid and Attendance** benefit. In addition, the **National Family Caregiver Support Program** is a great funding source for individuals staying with us short-term while their family caregiver takes a break.

As a tenant utilizing our assisted living services, our caregivers will support you in maintaining your highest level of independence for as long as possible by providing daily nursing and supportive services. All tenants, including independent living, are invited to participate in our social and recreational programming.

ASSISTED LIVING MONTHLY CARE RATE:

Care Level 1 - \$2,525 Care Level 2 - \$2,945 Care Level 3 - \$3,340

Prior to admission, an assessment will determine your care level. You can count on paying the same care rate each month, unless you have a change in condition which necessitates a need for a higher or lower care level.

Per state regulations, RCAC residents may receive up to a maximum of 28 hours of care per week, including nursing and supportive services.

Visits from a nurse consultant are available as needed to address general health concerns and a nurse is on-call 24/7.

Care Level 1 - \$2,525

- Basic assistance with activities of daily living (i.e. dressing, grooming, bathing, toileting, transferring, and ambulating)
- Must be independent with medication administration; the ability to independently and safely manage a medication planner also qualifies at care level 1.

Care Level 2 - \$2,945

- Supervision beyond basic assistance with activities of daily living to ensure safety (i.e. dressing, grooming, bathing, toileting, transferring, and ambulating)
- Medication administration provided by trained assisted living employees

Care Level 3 - \$3,340

- Supervision beyond basic assistance with activities of daily living to ensure safety (i.e. dressing, grooming, bathing, toileting, transferring, and ambulating)
- Medication administration provided by trained assisted living employees
- Catheter or ostomy management
- Additional nursing services, such as injections, wound care management (i.e. assessment, dressing changes), oxygen therapy (managed by staff), and monitoring of complex medical conditions

SHORT STAY RESPITE CARE

\$170 a day for the first seven days (minimum stay requirement). After seven days, the rate is \$150 a day. The rate includes a fully furnished apartment, room and board, and all services as noted in your assessed care level.
