## **New, State-of-the-Art Rehabilitation Facility and Assisted Living Unveiled to Community**

OSSEO – Several hundred community members were present yesterday to celebrate the unveiling of Dove Healthcare’s new, state-of-the-art rehabilitation and skilled nursing facility with assisted living on Ridge View Road.

Regional Director of Operations Jeremy Kiley said, “We are driven by great passion and pride for what we do in the communities we serve and look forward to providing a dynamic option for care in our new facilities in Osseo. Extensive detail and planning has gone into ensuring Dove Healthcare – Osseo is best positioned to handle the region’s care needs today and well into the future.”

The modern skilled nursing and rehabilitation facility features two distinct care wings. Long-term care includes 18 private rooms and four semi-private rooms. The short-term rehabilitation wing features 14 private rooms and is located adjacent to the therapy gym. All patient rooms include private restrooms, in floor heat, individually controlled heat and AC via remote control, and top-of-the-line beds.

Additional highlights of the new skilled nursing facility include:

- 2,500 square foot rehabilitation gym
- Physical, occupational, and speech therapists supported by advanced technology and equipment
- Full service salon and two deluxe spas with whirlpool tubs
- Public computer with internet access
- Complimentary WiFi
- Outdoor courtyard with access to walking path
- Space to accommodate community events
- Advanced technology incorporated into all departments, including multiple ‘green’ and energy efficient features
- Conveniently located next to Hwy 94 and 10, hospital, and clinics

Residents of the attached assisted living residence with 24 apartments will enjoy the comforts of their modern apartment, along with numerous services and amenities.

- All-inclusive, monthly care rate
- Three nutritious meals a day
- Caregivers on-site 24 hours a day
- Nursing and pharmacy services
- Access to physical, occupational, and speech therapy

- A Community Room for resident activities, exercise, and community classes
- Full service salon and complimentary WiFi

Administrator Joe Muench said, “Dove Healthcare – Osseo will be the rehabilitation and assisted living destination for Trempealeau County and the surrounding communities. In addition to the serene setting with beautiful views, everyone will enjoy all of the latest amenities and services close to home. By investing heavily in our staff, therapy gyms, and equipment, we ensure our patients receive the most advanced and progressive treatment.”

The new Medicare and Medicaid certified facility employs approximately 100 part-time and full-time positions, including nursing, therapy, nutritional services, recreation, environmental services, and the attached assisted living residence.

Residents from the current facilities on Eighth Street will move to the new facilities on Ridge View Road December 5. Dove Healthcare – Osseo will officially begin taking referrals from all health systems and hospitals for post-acute care, short-term rehabilitation, long-term care, and end-of-life care on December 6. The assisted living residence is taking referrals and inquires now, and over half of the new apartments are already reserved. The social worker can be contacted at (715) 597-2493.
