Healthcare Careers Scholarship Recipients Announced

Established in 2019 to recognize and encourage high school seniors pursuing a career in a healthcare related field at an accredited technical college or four-year university, the Dove Healthcare Community Foundation recently awarded seven scholarships to graduates in Barron, Bloomer, Chippewa Falls, Eau Claire, Osseo, and Rice Lake.

Applicants included with their completed application an essay about why they chose a career in healthcare, educational and career goals, influential persons or events, opportunities they had to work or observe their chosen career field, as well as how the scholarship would affect their future education.

Foundation Chair Joe Muench shared, "Our scholarship selection committee had the wonderful honor of reviewing applications from many talented and driven students. The workforce needs in healthcare are great and the opportunities are endless, so it was exciting to have a glimpse into the aspiring, young minds ready to take on the challenge. Our foundation is so happy to play a small role in supporting their bright futures."

The 2020 scholarship recipients include Julia Wirth of Barron, Abby Zeman of Bloomer, Keyton Solberg of Chippewa Falls, Lydia Monk and Mai Nhia Yang of Eau Claire, Hailey Ness of Osseo-Fairchild, and Alexis Orr of Rice Lake.
