April 2023 Newsletter · Dove Healthcare - South Eau Claire

## Another “HomeGROWN” Promotion!

We are happy to announce the promotion of **Patricia Thyron!** She was hired as a housekeeper at Dove Healthcare – West Eau Claire, and shortly thereafter, she advanced to lead housekeeper. Her latest promotion to housekeeping director at Dove Healthcare – South Eau Claire *and* laundry and housekeeping director

at Dove Healthcare – West Eau Claire is much deserved.

“Patricia joined Dove Healthcare in 2022, and quickly demonstrated her strong work ethic and excellent customer service skills. She is a perfect fit for our team and this new role. We look forward to continuing to see Patricia grow, as well as advance quality and service with our environmental team,” shared Assistant Administrator David Jacobson.

Patricia shared, “I was born in Wisconsin and lived in San Diego from age 15 to 24. I enjoy going on walks after work and taking spur of the moment road trips and flights out West. I have a 12-year old daughter and a 15-year old son that give me reason to wake up and make it all happen.

I have been known to be a ‘Jill Of All Trades’ in and out of the work place. I love to learn and experience as much as I can in life.

My background includes work in nursing, dietary, and environmental services. I love the feeling of jumping in and helping with whatever is needed! Those around me know that I have a high standard. I take a lot of pride in keeping my fellow co-workers and residents comfortable and healthy.

I appreciate this opportunity for advancement. Thank you for noticing my determination and dedication.”

Thank you, Patricia, for your high standards and commitment to caring! We appreciate you.

## Congratulations to Candace Knuth our April Employee of the Month

"We are thrilled to have Candace as a part of our team! Her co-workers enjoy working with her and say that she is very hard-working, trustworthy, and they can depend on her. The residents here enjoy having Candace provide them with care. She is friendly, optimistic, and maintains a positive attitude while also being flexible and willing to help out whenever and wherever she can. Thank you, Candace, for your hard work and dedication to the team and the residents," said Director of Nursing Jennifer Zeilinger. Nurse Case Manager Sheri Myher added, "I am impressed by her dedication – she drives at least 40 miles to and from work and she jumps on any task you give her."

Candace shared, "I've worked in healthcare since I was 17 years old and absolutely fell in love with it! Last October, I saw an offer with Dove Healthcare that I knew was perfect for me and would help me reach my career goals. I was so excited for the new opportunity and the experience I would gain from it. I would like to say a special thank you to my co-workers for their support, guidance, and encouragement. I truly enjoy coming into work each and everyday for the residents and my co-workers. It is their respect, appreciation, and support that drives me to be a good employee as well as a person; because that is what you all deserve from me."

Way to go, Candace! We are so grateful to have you on our team.

## Congratulations to Anna Schuch, our April Rookie of the Month

Anna responded, "In the time I've been at Dove Healthcare - South Eau Claire, everyone has shown me so much kindness. I felt so welcomed on my first day! I've really enjoyed getting to know residents and their families, and I'm excited to be working here among all of these amazing people! Some fun facts about me are that I enjoy hanging out with my two cats, making art such as sewing and painting, and I like to play lots of different video games."

We're so happy you're here, Anna! Congratulations on this much deserved award.

## A Testimonial from Ralph Ringlien

"When I came to Dove Healthcare - South Eau Claire this time around, I had finished up my second knee surgery and made sure to get back here. I was here in October 2022 after getting my other knee done and definitely wanted to return because of all the good, compassionate people who took such good care of me. **The nurses, therapy, nutritional services, and other departments are all so good and have collectively contributed to me going back home.** Therapy especially has gotten me well prepared for returning to my life. **I would recommend this place to anyone!**"

Valerie (PTA), Lauren (OTA), Erin (PT), and Ralph on the NuStep

Physical Therapist Assistant Valerie Meskill shared, "It was wonderful to see Ralph's bright eyes and smiling face again. He had been progressing well through his first week of recovery and then was faced with an illness. Once we were able to begin regular therapy again with Ralph it was easy to see he had been working hard on his own with his restorative program even though he was ill. He has such determination and motivation to reach his goals, and we are so proud of him!"

Now he is taking the steps to return home soon. We are so looking forward to working with him in the next few weeks at his out-patient appointments and witnessing his progress. Thank you for being such a *rock star*, Ralph, and take good care of yourself at home. See you soon!"

## Recreation Highlights

### THANK YOU VOLUNTEERS . . .

April 16-22 has been set aside as a time to recognize and say thank you to our volunteers. The role of volunteers is an important one in any organization, but I think in a care center such as ours these caring individuals are even more valued.

Our volunteers are vital members of our team and take on many responsibilities and help to bring the community to our residents. They come from diverse backgrounds - students, parents, and retirees. There is always room for people who have the desire to serve! And so, to our volunteers, we say "THANK YOU"! We appreciate your dedication and everything you do to support our ongoing mission *to provide compassionate care and service to meet the needs of those who depend on us.*

To those who want to explore the possibility of serving others, we encourage you to take the next step - **become a volunteer!** If you are interested in joining our team of great volunteers and would like more information, you may contact me by phone, 715-895-9050 or email [malvar@dovehealthcare.com](mailto:malvar@dovehealthcare.com).

Our volunteer application process is quick and easy! Just go to our website [dovehealthcare.com](http://dovehealthcare.com) and go to "Join our Team" and then click on the volunteer page to bring up the online application. We look forward to hearing from you!
