

Admission Checklist for Your Short-Term Rehabilitation Stay

✓ Comfortable clothing for 7 days

- Due to IV's, weight gain is common after surgery
- You will need clothes you can freely move in for therapy sessions (we do not recommend jeans)

✓ Athletic shoes

- The stability provided by good footwear is needed during therapy sessions
- Tie shoes are preferred to reduce risk of your foot sliding out of shoe
- ✓ Robe

✓ Personal care items

 *Toothbrush, *toothpaste, *brush/comb, *deodorant, make-up, shaving kit *Items provided by facility, but residents can bring their own preferred products from home

Glasses / contacts / hearing aids and storage cases / dentures cup or case

✓ Medication list from home

• We need to compare this list to the medication list provided by the hospital

✓ Insurance information/cash

- Your insurance information will be verified for proper coverage of your stay
- You might want cash for miscellaneous items (i.e. pop, haircut). A petty cash account is available in the business office. We recommend that you not keep cash or valuables in your room.
- ✓ Copy of healthcare directives (Power of Attorney for Healthcare / Finance)
